About Our School

New Life Christian Pre-K is a ministry of New Life Christian School offering grades K-12. Our goal is to prepare children for school and life by helping them grow spiritually, socially, physically and academically. We are passionate about teaching children and ensuring kindergarten preparedness. Our certified teachers utilize accredited curriculum to teach Bible, reading, writing and math concepts in a structured classroom setting. The children enjoy attending chapel weekly which reinforces Bible lessons learned in the classroom. At New Life Christian Pre-K, we strive to help children experience success by working together with our parents. We also encourage parental involvement by holding several classroom and school wide activities throughout the school year.

Enrollment Process

Parents are welcome to visit our school Monday- Friday. Please contact the school to schedule a time to observe our classes and discuss our enrollment process.

You may visit our website for additional information at: www.newlifecs.org
