Dear Parents:

Enclosed you will find a form to be taken to the pastor of your church. Please read it carefully. The information on it is consistent with the promises required in the N.L.C.S. enrollment contract. This form is to be completed by your pastor.

Please be sure that this form is returned to us by your pastor in a sealed envelope. Your enrollment documents will be incomplete until this form is added to your file. N. L. C. *Purpose: The educational philosophy of New Life Christian School is based on a partnership between the school, the Christian home, and a local church that provides a spiritual covering for the family. We liken this to the "three-stranded cord" of Ecclesiastes 4:12 that is "not easily broken." Regular attendance at a Christian church is a family requirement for admission to and continuing enrollment at N.L.C. S. (please note that families need not be members of or attend the school's parent church, New Life Foursquare Church of Frederick, Maryland).*

*This form is to be completed by the pastor of the church where the family is regular in both attendance and support of its programs. This may be taken to include financial support of the church and faithful participation in its programs and ministries.*

**To the pastor:** Please bear in mind that your input is vital to our admission process, and that no child will be confirmed as enrolled without this form.

School policy at N.L.C.S places these requirements upon families seeking enrollment at our school:

1. Every N.L.C.S. student must reside with a natural parent or legal guardian, and be in submission to parental authority;
2. At least one of the parents or guardians must be a professing Christian;
3. For students entering grades 6-12, the student himself must be a professing Christian;
4. For homes where one of the parents is not a professing Christian, that parent must be in unity with the parent who is a professing Christian, and supportive of the school's educational philosophy, rules, policies and procedures;
5. The parent(s) and the prospective student(s) must be attending a church (though they need not technically be members), be faithful in support of the church and participate in a healthy way in the church's programs;
6. Students applying to enter grades 6-12 must be regular participants in youth ministry programs at their church.

It is to help us establish correct information with regard to these items that we are asking for your report.
