

RAM Run 2017

Thursday, OCTOBER 26th

Dear Family & Friends,

On **Thursday, October 26th**, I will participate in our school's **RAM Run**. I would very much appreciate your sponsorship. The **RAM Run** is an age-specific tailored obstacle course run on the grounds of the school property. For example, preschool and elementary grades may leap over low horse jumps, crawl through a tunnel, or climb a hay bale pyramid. The middle school run is longer and includes a tire obstacle and climbing wall. While the high school performs the ultimate 5K run, which adds a pond swim and army crawl mud pit. Students compete either individually or as teams of five boys or girls. Usually, the United Steam Fire Company is available to hose down students when they complete the course. ***It is a lot of fun!***

The purpose is to raise \$25,000 for the critical needs of our facility: to improve classroom technology, upgrade our newly acquired bus with a paint job & other maintenance, and to replace seven old wooden doors with secure metal ones. Additionally, because of your help, I may be able to earn special awards too!

My personal goal is to raise at least \$200.
